Mason Bee Starter Guide

EVERYTHING YOUR BEES NEED TO GET A HEAD START IN SPRING!

1. **Shelter** - Mason Bee Chalet or similar

2. **Nesting Materials** -

A. Choose from Reusable Wood Blocks, Disposable Paper Tubes or Natural Reed Tubes (it's OK to fill your shelter with a mix!)

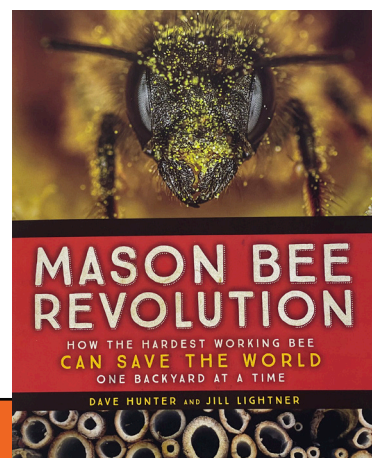

3. **Building Material** - Mason Bee Mud

4. **Water Source** - Plant saucers with pebbles work great!

5. **Food Sources** - Early blooming fruit trees and flowers! Native bees prefer native flowers! Check out our Native Seed Rack and our selection of Native Bulbs!

6. **It doesn't hurt to have a little extra knowledge!**

A. Check out Mason Bee Revolution by Crown Bees' own David Hunter

And Don't Forget...

Mason Bee Cocoons!!

Ask our friendly cashiers for cocoons

(Available February to early April or as supplies last)
