

👉 **Join Plant Question Tables at the Farmer's Market** - This popular volunteer opportunity returns for the summer of 2026. The fun and engaging outreach is a great way to provide education to the public, answer plant questions and refer questions to the Plant Desk. They are looking for both Certified Master Gardeners and Trainees on dates throughout the summer. This is a great way for trainees to get direct service hours. Contact Signe Danler if you have any questions (Signe.danler@gmail.com).

[BCMGA: Corvallis Farmers Market](#)
