

Native seed sources

Willamette Wildlings 80692 Turkey Run Rd. Creswell, OR 97426 541.767.9142
natives@willamettewildlings.com

Steele Acres 24388 Evergreen Rd, Philomath, OR 97370
[Native Seed | Steele Acres 3/3](#)

Klamath Siskiyou Seeds PO Box 1155. Jacksonville, OR 97530 541-890-1483
<https://www.klamathsiskiyouseeds.com> (They have a terrific table giving germination requirement of each plant)

NW Meadowsclapes 1240 W. Sims Way, #218 Port Townsend, WA 98368 360-504-6415
[Northwest Meadowsclapes Native Seed](#)

Heritage Seedlings and Liners 4194 71st Ave. SE Salem OR 97317 503-585-9835
[Heritage Seedlings: Home](#) (Prices are per ounce, so prices are higher and more aimed at commercial growers)

Native Seeds of Oregon 326 NE 6th Street McMinnville, Oregon, 97128 503-434-1094
[Native Wildflower Seeds Of Oregon \(nativeseedsoforegon.com\)](http://nativeseedsoforegon.com)

General seed companies may also carry native seeds. Locally you can find some native seeds at Nichols Nursery. If it is a national company, keep in mind that “native” to them might be plants native east of the Rocky Mountains or Mississippi River. When in doubt, enter the plant name in the Oregon Flora Project website and find out if it is an Oregon native. [OregonFlora Home](#)
